Residents and Business Owners of the Rockland Fire Protection District-

Starting October 1, 2018, the Lake Forest and Libertyville fire departments will be providing fire and EMS service to the entire Rockland Fire Protection District. If your residence or Business has a monitored fire alarm, we need to make sure your alarm monitoring company has the correct 10 digit phone number to report an alarm activation.

If your business or residence is **north of the EJ& E railroad tracks**, you are served by **Libertyville** and the phone number is **847-362-2121**.

If your business or residence is **south of the EJ& E railroad tracks**, you are served by **Lake Forest** and the phone number is **847-234-2121**.

If you have any questions please contact Chief Carani or Chief Siebert.
